Section Number three (3) - Demand to address the Grand Jury

I Empress Hadriya Bey, being a Sovereign in and over this Union State Republic, and a victim of Criminal abuse by unregistered agents of a foreign government, hereby makes a special appearance before this court and demand that a Grand Jury be established herein to

(8)

exercise its primary function as a shield for the innocent, and as representatives of the people and to undertake an investigation of the above defendants and certain other individuals, agents and public officials, and to ascertain the true nature of their actions committed under color of law and in violation of numerous provisions of criminal law as set forth above with the purview and jurisdiction of this Court and Grand Jury.

A Grand Jury assembled, has the fundamental right and responsibility to prevent governmental excesses and abuses and violation of United States Criminal Law. Further, it is their duty to help victims of government abuse of power and unlawful activities to bring to light the lawlessness of public officials and others and not to be a mere rubber stamp for governmental indictments, but to protect the private American, her property and her rights from legal plunder, for without the Grand Jury, honest Americans cannot hope to prevail against today's color of law statutes and legal priesthood (Judges and Attorneys) and their consolidation of power!

It is imperative to the security and liberty of this Nation and this State that I be able

(9)

to present oral and documentary evidence to an assembled Grand Jury. I have evidence of violation of oaths of office, Conspiracy, attempted extortion, fraud, and other criminal acts bordering on treason committed by the defendants and other individuals and officials within the government, the Justice Department and within the state government.

I have evidence and Testimony from witnesses that the Defendants and other officials involved, are operating illegally outside the bounds of any valid law or Constitutional Authority, jurisdiction or venue.

That the Defendants and other officials are using fear, coercion, restraint, Conspiracy and subversion against the people of this Union State Republic, and the undersigned in particular. Despite all of the above, and despite numerous and repeated warnings by the undersigned and others concerning their criminal violations of the law and of their unlawful activities against the Constitutional Common Law of this nation and this Union State Republic, the defendants continue with seeming impunity in their criminal activities against the rights, property

(9)

and liberty of Empress Hadiya Bey and other State Sovereign and Citizens.

Therefore, I, hereby state that I am a victim of government abuse, and I hereby charge and accuse the Defendants and other officials with violating numerous provisions of this states Criminal laws and of conspiring to deprive the undersigned and other State Sovereigns and State Citizens of rights secured to them by this states Republic Constitution and the Common Laws Pursuant thereto, and respectfully request an investigation into all of their activities without the United States in this Union State Republic.

Many of the actions by the Defendants and these officials are not authorized by any valid law, and it appears that the ~~Defendants~~ and these officials and personnel have become enemies of our Constitutional Republic's by attempted subjugation of the sovereign body of ~~the~~ the People and by this and other covert acts they are attempting to weaken and destroy our Constitutional form of Government and our Bill of Rights!

Under the fundamental law of this Republic

⑩

and the Common law, "Treason" is understood to mean "Betrayal After Trust", and therefore that of Section 2381 of Title 18 "Adheres to Their Enemies" means anyone who appears to be one of us the people and professes or takes an oath to "adhere" to our Constitution and Bill of Rights (in order to gain our trust) and then knowingly betrays that trust by covertly "adhering" to and actively "aiding" our enemies by weakening and eventual destruction of those Supreme Laws. The above officials have been notified of the law and of their criminal activities, but have continued unabated in their criminal violation thereof.

Empress Hadiya Bey appeals to this Grand Jury to act in proper role as a shield for the Empress Hadiya Bey and other Patriotic Americans by preventing this abuse from continuing.

Empress Hadiya Bey hereby and herein formally requests a reasonable amount of time to address this or any other Grand Jury assembled and be given a fair and impartial hearing without a Title of Nobility (Attorney) present, and to present evidence and testimony concerning the activities by the Defendants.

(11)

outlined above.

If this is still a free country, if the people are still in control of their public servants; if truth is to be the victor, then it will be heard.

United States Constitution Article VI

(2)

"All Debts Contracted and engagements entered into before the Adoption of this Constitution, Shall be as valid under the United States under this Constitution, as under the Confederation. This Constitution, and the Laws of the United States which shall be made in pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States shall be the Supreme Law of the Land; and the Judges in every State shall be bound thereby, anything in the Constitution or Laws of any State to the contrary notwithstanding.

The Senators and Representatives before mentioned and the members of the several State Legislators and all executive and judicial Officers, both of the United States and of the several States shall be bound by Oath or Affirmation, to Support this Constitution; but no religious test shall ever be required as a qualification to any office or public trust under the United States."

Article I Section X

"No State shall enter into any Treaty, Alliance or Confederation; grant Letters of Marque

and Reprissal; Coin money; emit bills of credit; make any thing but gold and Silver Coin a tender in Payment of debts; pass any Bill of Attainer, ex post facto Law, or Law impairing the Obligation of Contracts, or grant any Title of Nobility."

Amendment V

"No person shall be held to answer for a Capital, or otherwise infamous Crime, unless on a presentment or indictment of a Grand Jury; except in Cases arising in the land or naval forces, or in the Militia when in actual Service in time of War or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any Criminal case to be a witness against himself, nor be deprived of life, liberty or property, without due process of law; nor shall private property be taken for public use without just Compensation."

I Affirm, for the record, I do not have or possess, any gold or Silver Coins as prescribed by United States Constitutional Law, which is lawful money to pay the

restricting demands, conditionally commanded by employees and contractors of the Court. The said restrictions (unconstitutional) are arbitrary (hindering Due process) and imposed for processing these documents as stipulated in the United States Constitution noted above. Therefore, I Submit this Writ "In forma Pauperis" being an exercise and enjoyment of my unconditional, inalienable Constitutional/Treaty Secured Rights (and not a feudal fee-burdened privilege) to timely and speedily enforce Due process of Law, as noted above. Your demand for a "Financial Statement" is used as an instrument to deny me due process of law and my right to free access to the Courts. I introduced an Affidavit of Fact to be submitted as Evidence. Someone in the Courts tampered with that evidence, which is a federal violation and misrepresented it as a Motion which is discretionary and an assumption that permission must be requested in order to exercise my Constitutional rights, and an exercise of a right is a Constitutional right and not a request and this office knows that. This is a direct violation of my "Secured Constitutional/Treaty Secured rights which is Supreme

Law of the Land and 'Stare Decisis' and a violation of your "Oath of Office." Furthermore as there is no Law as prescribed in the United States Constitution stating that a "Financial Statement", "Financial Fee/Federal Law)", or a "Motion" requesting permission must be submitted in order to exercise my Constitutional Rights, your demand is a violation of Amendment IX of the United States Constitution and your fiduciary duties.

Amendment IX

"The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people."

"Where rights secured by the Constitution are involved, there can be no rule making or legislation which would abrogate them." *Miranda v. Arizona* 384 US 436, 125'.

As an officer(s) of the Court, you and your assigns are bound (or have) Solemn Oath (see Article VI) to uphold and support the Constitution for the United States Republic. Refusal of this "Affidavit of Financial Statement"

is construed to deny me timely "Due Process" and will be a 'Colorable act' to violate my secured exercise of a Right. Such an act and imposition is a violation of your Official Oath of Office. This can result in additional lawful remedy actions filed against those violating Officers of the Court, Under Title 18 and Title 42, in their official and private capacities. The Law always gives a remedy for the people against color of Law actions committed by those who violate their Oaths of Office colluding to abridge the Rights Secured for the Natural Beings and the Citizens.

I Respectfully, With 'Good Faith' and With Honor, by right to unhindered Due Process, submit this 'Affidavit of Financial Statement' and Evidence.
